SEE WHAT HKU SCHOLARS HAVE TO SAY!

"COVID struck when I was graduating from high school in 2020. Waking up to see the email that I have received this amazing scholarship to one of the most prestigious universities in the world remains one of the happiest days of my life...Today, I'm on a path to becoming an engineer in the future. A future that would have remained a daydream had I not gotten the scholarship. I solemnly hope to use the knowledge and skills I gain as an engineer to transform my continent and positively impact the world in general."

"At HKU, I have connected with mentors, explored new cultures, and learned more than I ever could have imagined. The HKU Scholarship for Future Leaders has made my experience all the more enjoyable as it allowed me to focus entirely on pursuing exciting opportunities, without worrying about financial pressure. I am eternally grateful for HKU's scholarships, which are often a rarity at many high-ranking institutions today. This has made my process of moving to a new and completely unknown part of the world much easier and is only one of the many ways HKU has supported my journey."
