

HKU × University of Cambridge

THE UNIVERSITY OF HONG KONG

UNIVERSITY OF
CAMBRIDGE

4 degrees - 5 years

HKU X University of Cambridge Undergraduate Recruitment Scheme

Students would spend two years in Hong Kong followed by three years in Cambridge and earn a **Bachelor of Engineering from HKU**, as well as a **Bachelor of Arts (Honours)** and a **Master of Engineering from the University of Cambridge** upon successful completion of this five-year programme.

Cambridge ranked

5th

in the world for Engineering & Technology
QS World University Rankings by Subject 2026

Note: The Master of Arts degree will be conferred six years from the date of first registration at Cambridge.

Year 1 - HKU

Students are admitted to the HKU Faculty of Engineering.

Year 2 - HKU

- HKU will nominate students for assessment by the University of Cambridge through the normal 'UCAS' route. Following a written screening test at HKU and interview by Cambridge personnel, successful students who have attained excellent academic achievements will receive offer of admissions, and begin to study in Cambridge in year three of this academic journey.
- If you do not meet the requirements, you will remain at HKU to complete the HKU Bachelor of Engineering.

Year 3 - Cambridge

Students will study the 'Part I B' of the undergraduate Engineering curriculum in their first year of study at the University of Cambridge.

Year 4&5 - Cambridge

- Students will take up 'Part II' of the undergraduate curriculum and be awarded the Bachelor of Arts as well as the Master of Engineering degrees at Cambridge.
- Upon completion, students apply for a BEng degree from HKU under a course mapping scheme.
