Applications are invited for admission in September 2022 to study for the degree of Master of Statistics. To be eligible for admission to the programme, a candidate shall satisfy both the University Admission Requirements and the Programme Specific Requirements as listed below:

(a) shall comply with the General Regulations;
(b) shall hold a Bachelor’s degree with honours of this University or a qualification of equivalent standard from this University or another comparable institution accepted for this purpose;
(c) shall have knowledge of matrices and calculus, and shall also have knowledge of introductory statistics and linear modelling.
(d) for a candidate who is seeking admission on the basis of a qualification from a university or comparable institution outside Hong Kong of which the language of teaching and/or examination is not English, shall satisfy the University English language requirement applicable to high degrees as prescribed under General Regulation G2(b).
(e) shall pass a qualifying examination if so required.

An application for exemption from the above requirements shall be considered on a case by case basis.

The programme emphasizes applications and aims to train knowledgeable statisticians, preparing candidates for consulting work or research in the field.

The following new course is added into the curriculum from the academic year 2022-23:

STAT6019 Current topics in statistics (6 credits)

The curriculum shall extend over not less than two academic years for part-time study and not less than one academic year for full-time study, with a minimum of 340 hours of prescribed work.

There is an Entrance Scholarship for Master of Statistics of HK$20,000, awarded annually to new MStat students on the basis of academic merit, financial need upon admission and, if necessary, interview performance.

There are Lifelong Learning Prizes in Statistics, each from HK$5,000 to HK$10,000, awarded to students on the basis of academic achievement.

There is a Master of Statistics Outstanding Performance Scholarship of HK$50,000, awarded annually to an MStat student on the basis of academic merit and quality of coursework.
