

**THE UNIVERSITY OF HONG KONG
FACULTY OF EDUCATION**

Master of Science in Audiology [MSc(Audiology)]

Applications are invited for admission in September 2024 to the Master of Science in Audiology programme. The curriculum shall extend over two academic years of full-time study.

Programme aim

The Master of Science in Audiology is a professional programme which provides students with detailed theoretical background knowledge of human hearing and hearing loss, intensive clinical practice in a variety of audiology placements, as well as an appreciation of research in audiology.

Admissions requirements

To be eligible for admission to the programme, a candidate shall satisfy both the University Admissions Requirements and the Programme Specific Requirements as listed below:

1. comply with the [General Regulations](#) and the [Regulations for Taught Postgraduate Curricula](#);
2. hold a Bachelor's degree preferably with a major in education, psychology, linguistics, physics, medicine, speech and hearing sciences or other subjects relevant to this multidisciplinary profession from The University of Hong Kong or a degree from another university or comparable institution accepted as equivalent;
3. for a candidate who is seeking admission on the basis of a qualification from a university or comparable institution outside Hong Kong where the language of teaching and/or examination is not English, shall satisfy the [University English language requirement](#) applicable to higher degrees as prescribed under General Regulation G2(b):
 - a) a score of 550 or above (paper-based test) or 80 or above (internet-based test) in the Test of English as a Foreign Language (TOEFL)[#]; or
 - b) a minimum overall band of 6 with no subtest lower than 5.5 in the International English Language Testing System (IELTS)[#]; or
 - c) grade C or above in the Overseas General Certificate of Education, the International General Certificate of Secondary Education, or the Cambridge Test of Proficiency in English Language
4. shall satisfy the examiners in a qualifying examination, if required.

Applications for exemption from the above requirements shall be considered on a case-by-case basis.

For admission, only TOEFL/IELTS scores recorded in the two years before the date of application are considered.
