NOTES ON SUBMISSION OF SUPPORTING DOCUMENTS
Please upload the following documents (including this checklist) for our preliminary consideration by logging in https://www.admissions.hku.hk/tpg/login.html or email, as appropriate, the following documents (including this checklist) directly to biotpg@hku.hk before the application deadline and within four weeks from the date of the creation of your account. Your application number should be marked on each document. Transcripts, diplomas, certificates and other submitted documents which are not in English should be accompanied by a certified translation in English. Certified translation may be provided by your home institution.

Please note that you are not required to submit original / certified true copy# of your documents to the University during the application stage. Should you be given an admission offer by the University, you will receive notification to submit original / certified copy of your documents. All documents once submitted will NOT be returned. They will be destroyed if the application is unsuccessful.

To the referee: The applicant has given us your name as someone who would be prepared to write a reference in connection with his/her application for admission to the Master of Science (MSc) in the field of Food Industry: Management and Marketing. The Admissions Committee would be most grateful if you would complete the information below, and state overleaf your views of the applicant’s capabilities for undertaking this degree. Please accept our thanks in advance.

The application will be considered immediately until late April. To ensure that the application can be given due consideration, it would be appreciated to receive an early response of your reference and not later than April 29, 2022. Under the provisions of the Personal Data (Privacy) Ordinance, applicants have the rights to request access to their personal data, including referee reports.

The following background about the programme might be helpful to you: It is a one-year, full-time, interdisciplinary postgraduate degree. Students with biological science background preferably in food science, nutrition or other related major are accepted. It is a small programme (about 40 students each year) and students are expected to participate in class discussion. The programme involves a considerable commitment of time, as students usually have to attend courses on weekday and some Saturday afternoons. Written work contributes an important part of the programme, including possibly a project of at least 8,000 words. (All written and verbal communication is in English).
